## CD of the Week

for the week beginning Monday  
**9 August 2004**

### Dreams

ABC Classics 476 226-9 (distributed by Universal)

#### Karin Schaupp, guitar

Karin Schaupp has demonstrated her virtuosity with the guitar in almost every sort of context: recording studio, concert hall and in ensemble with every sort of group. This is her latest disc, and it's surely one of her best to date. This CD, called simply Dreams, is a lovely collection of slow and reflective pieces, imaginatively put together, and featuring the work of mostly well-known composers. But this is certainly more than easy listening music - this is guitar playing of the rarest kind.

Available from  
ABC Shops and  
Centres and online
